

[INTERIORS]

The living area is split into three zones: the 'cosy end' with comfy sofas; the 'telly room' with its two Egg chairs (from www.skandium.com); and the dining area with an Ikea table and Eros chairs by Philippe Starck (from www.popuk.com). The Spike light is from www.tomkirk.com

DO THE LIGHT

With bright colours and lighting that doubles as an art installation, this is one home that glows
